## **Immunization Packet - 4 steps**

All forms and uploads must be completed at <a href="https://rutgers.medicatconnect.com/">https://rutgers.medicatconnect.com/</a>

Fill out the Mandatory Health Questionnaire

Ask your healthcare provider to fill out this immunization packet

Some of your vaccines may have already transferred into our system from the NJ vaccine registry or your previous time at Rutgers. To check your vaccine record, PRINT your record from the Immunization tab.

Please do not re-submit immunizations that are already in the system.

Enter the dates of your vaccines or labs under the immunization tab

Upload your signed, completed packet and any supporting documentation, if applicable (ex: labs, blood work, x-ray report)

Clinical (Category 2) immunization requirements apply to students who will see patients or clients during the course of their program but have no risk of exposure to blood or infectious body fluids. Not sure of your category? Reach out to your program.

Required: Measles Mumps Rubella **Hepatitis B Adult Tdap Tuberculosis screening** Varicella Annual flu

May be required (see immunization form for details): **Meningitis ACYW** Meningitis B
